Allama Iqbal College offers a well-developed infrastructure across 4 buildings, with 36 classrooms and seminar halls, along with 7 fully equipped laboratories. The college has a fully air-conditioned, spacious library (3200 sq. m.) with over 7,500 books, journals, and an e-library for digital learning.

The campus includes a 500-seat auditorium, one conference hall, two playgrounds, and a fully air-conditioned computer lab with 32 computers and 100 Mbps internet connectivity. Facilities such as a cafeteria, health center, drinking water, guest house, and common rooms (including a separate one for girls) ensure student comfort.

The college also provides power backup, firefighting systems, and fire safety measures, along with student support services such as an anti-ragging cell, counseling, a skill development center, and a grievance redressal mechanism. With 40 toilets, including facilities for girls and differently-abled students, the campus ensures a safe, inclusive, and student-friendly environment.
